

Media Release

For Release: December 4th 2013, Melbourne Australia

CEEC participates in Mines and Money London 2013

CEEC International Ltd is located at Stand B2 at Mines and Money London 2013 conference, where executives from over 250 mining companies have gathered to attend Europe's leading mining investment and capital raising conference and exhibition. Registrations are expected to bring together over 3,000 investors, financiers, brokers and mining developers, for up to five days of business matching, knowledge sharing and deal-making.

CEEC Booth at Mines and Money London 2013

CEEC director Michael Battersby, Managing Director of Maelgwyn Minerals is representing CEEC at this global gathering and reported a busy Day 1. Investment and mining leaders will present the delegates over the 5 days of the conference.

"It's an obligatory participation for us." **Mark Bristow, CEO, Randgold Resources.** Day 1 saw record crowds, packed aisles and busy exhibitors.

CEEC's stand is located under the Standard Bank Banner.

About CEEC CEEC is a not-for-profit company whose mission is to accelerate knowledge and technology transfer in the field of energy-efficient comminution (crushing and grinding). CEEC aims to raise awareness of beneficial alternative comminution strategies with the objective of improving earnings, achieving lower processing costs and gaining energy efficiencies in the mining sector. CEEC has the patronage of Owen Hegarty, of G-Resources Group Ltd.

CEEC is funded wholly by industry sponsorship from Anglo American, Barrick Gold, Gold Fields, Newcrest Mining, Indophil Resources NL, Gekko Systems, Ausenco, Xstrata Technology, Outotec, Orica, Derrick Corporation, Metso, AMIRA International, JKTech, MMG, Weir Minerals and Russell Mineral Equipment.
